Greetings Eileen,

My name is Vellus Campbell, and I am the Volunteer Coordinator for Holisticare Hospice of New Jersey which serves Middlesex, Monmouth, and Ocean Counties. I am inquiring to see if I could drop off some volunteer recruitment material, to be posted for your community members and homeowners to view. I would also like to see if our volunteer opportunities could be added to your newsletter, or website, if applicable.

As you can imagine, we are in need of volunteers who are interested in spending some quality time, with the hospice patients and families that we serve at their homes or in long term care facilities (when it is safe to do so).

I have attached a general flyer for you to review with your board members.

If it is approved, I have a few other goodies that I would like to drop off as well.

Please give me a call at 732-731-8100, to discuss further!

Thank you!

Warmly,

Vellus Campbell

Bereavement and Volunteer Coordinator
